

- ▶ You have more natural energy when you are clear with your environment, health and emotional balance, money and relationships.

The Clean Sweep Program consists of 100 items which, when completed, give you the vitality and strength you want.

The program can be completed in less than one year.

There are 4 steps to completing the Clean Sweep program:

- 1. Answer each question.** If true, check the box. Be rigorous, be a hard grader. If the statement is sometimes or usually true, please DO NOT check the box until the statement is virtually always true for you. (No "credit" until it is really true!). If the statement does not apply to you, check the box. (You get "credit" for it because it does not apply or will never happen). And you may change any statement to fit your situation better.
- 2. Summarize each section.** Add the number of "true" boxes for each of the four sections and write the amounts where indicated. Then add up all four sections together and write the current total in the box below.
- 3. Keep playing until all boxes are filled.** You can do it! The process may take 30 days or 360 days, but you **can** achieve a Clean Sweep! Use your coach or a friend to help you and once you've achieved it, check back once a year for maintenance.
- 4. Record your achievements.** In the table below, jot down specific benefits, results and breakthroughs, which happen in your life because you handled an item on the **Clean Sweep** Program.
